

2011 Labor Day Association Queen's Tea.

The Labor Day Association is looking for anyone who has ever participated in a Labor Day Queen Pageant. We are asking you to come to the Queen Pageant on Friday Night, September 2nd at the Gibson County Fairgrounds. We would like recognize you during that event. We now have a partial history of those young ladies from 1952 to the present Pageant.

We also plan to have a causal event on Saturday Night, September 3rd after the Little Miss & Little Mister Pageants. Cake and punch are planned and our Labor Day Photographer—Steve Shofstall will be on hand to take pictures. This is a causal event and hopefully a fun one for you and the other participants. We want to collect from you; pictures, programs, newspaper articles as well as your stories.

Our 2010 Queen-Cecily Ashby and the 2011 Labor Day Queen Pageant Director-Misty Mc Gregor will co-host this event. We ask that if you haven't been contacted—contact us. We have a very small address book of past participants and we are working off of it. If you know of other past participants--will you contact them and ask if they will attend. We do not want to overlook anyone.

We have a list of the past participants on the website, on our home page there is a button on past Labor Day Queens. If you click onto that button it will show all of the names we have—do you know others? We would like to ask if you would help on the 2011 Queen Pageant in some way—we aren't asking you to put on the pageant but to help in some way.

Cecily Ashby is who you need to contact, just leave a message on her phone. We need this information so we know how many to set up for. Her number is (812)-582-9303.
